## Creating a UT Dallas Transcript Account for Alumni and Former Students

Alumni and former student access is only available for 90 days. After 90 days, you will need to complete this process again.

1. Go to <https://registrar.utdallas.edu/transcripts/official/> and click on the **Former Student Reactivation form** link. The email address you provide on the reactivation form will be added to your UTD account as the preferred email unless you have an active UTD email address. The preferred email address will be used to create your Parchment account.

### Former Students, Alumni and Former Employees

- To order an official transcript, an active NetID/Orion is necessary.
- If you do not have an active NetID, please complete the [Former Student Reactivation form](#).
- In two business days, an email verifying the active NetID will arrive.
- Once NetID is active, click Orion via the [Galaxy webpage](#).
- Before you request to reactivate your NetID/Orion account (through the form), please confirm that you no longer have access to the UTD Student Center in Orion. If you have an active NetID, you do not need to fill out this form. A simple check to see if your NetID account is active – were you enrolled in the past 2 terms, OR are you enrolled in a future term. If the answer is yes to either question, then you will not need to fill out the Former Student Reactivation form. Please note, that the form is not for resetting password.
- Former employees or current employees that no longer have the UTD Student Center in Orion may reactivate their student role by filling out the Former Student Reactivation form.
